About Sanford

Founded in 2007 in Izmir, Turkey, Sanford is a BRC Grade AA certified globally recognized manufacturer of premium dried fruits, 100% fruit ingredients, healthy snacks, and specialty products. Our main year-round items include infused dried fruits, fruit puree strips and cubes, as well as dried fig spreads. All our products are plant-based and kosher; they do not contain artificial flavourings, preservatives, colours and GMOs. We provide private label services, as well as offer our own brand products for retail and specialty food industry.

Mission

Creating, manufacturing and promoting premium dried fruit, real fruit ingredients & wholesome plant-based snacks for the better, healthier and happier world

Vision

Doing business which has a positive impact on people's well-being and performance and contributes to creating a more healthy, intelligent, kind and sustainable world – the one we would like our children to live in.

Major Goal

To be a preferred worldwide supplier of high quality dried fruits and healthy snacks year-round at a competitive price

If you are a retailer, wholesaler, distributor or manufacturer, Sanford is the supplier who will not just satisfy your current needs, but go an extra mile to excite you and light up your business. Should you require samples or would like further info, please get in touch with our team.
